Dear Ms. Mortan and Nicole Genn,

On behalf of Lower Bucks Hospital, we would like to thank you for your recent donation of delicious food to our hospital. We are incredibly humbled and honored by the support you have given our hospital during the COVID-19 outbreak. We cannot say enough about how much we appreciate you thinking of our physicians, nurses, technicians, and other staffers, who are working every day to help keep all of us healthy. Through your kind donation, we have been able to provide staff with necessary supplies to help combat these unprecedented circumstances. You truly made a difference for us, and we are extremely grateful!

We wish you, and all those dear to you, good health, strength, and fortitude, as we weather this storm. Thank you again for keeping our caregivers, staff, and patients in your thoughts during this difficult time.

Sincerely,

Michelle Aliprantis
